AkzoNobel

History and Capability of International Paint Thailand

- Operating in Thailand since 1991.
- Local production in Nakorn Pathom.
- Specialising in High Performance coatings for Industrial application, in particular Marine and Protective Coatings.
- Sales and Technical service teams work throughout Thailand.
- Offices in Nakorn Pathom, Bangkok and on the Eastern Seaboard.

Coatings by International; Colour by Chromascan

- International Paints offer a unique colour system 'Chromascan'
- In-house technology and computer driven colour matching
- A tint system to cover a myriad of standard (British / ASNZ / Federal / RAL) and a standard colour palette attached
- Colour matching to any standard paint colour when given a sample

Colour for safety

Colour for aesthetics

Colour for temperature control

While every care is taken to match the colours on this card exactly, the manufacturers cannot be held responsible for slight variations.

All of the colors illustrated on this card are available worldwide from our core range of cosmetic finishes:-

- Interthane® 990
- Interlac® 665
- Intergard® 740
- Interfine® 979

Black and white colors although not illustrated on this card are also available.

Notes:-

When placing orders please quote the product name, number and color e.g. Interthane 990 Ocean Blue

Shade references: Each color has a specific Alpha/Numeric code e.g. L549

Whilst great care is taken to match colors on this card exactly, there may be slight variations in the colors of product supplied.

All top coat colors are lead free formulation.
